FESTIVAL SANJE POD KRVAVCEM

Festival Sanje pod Krvavcem se bo odvijal na prijetni lokaciji v Dvorjahu pri Cerkljah pod Krvavcem, pod lipo, v katere senci je bil rojen skladatelj Davorin Jenko. V tednu med 20. in 25. avgustom bo festival gostil dogodke nekomercialne ustvarjalne kulture različnih zvrsti - od glasbe in poezije do fotografije in igre. Tako se bodo vrstili različni akustični koncerti (Tantadruj, Dijazztivo, Ansambel Ankaran, ...), topotpisna predavanja, okrogla miza na temo koncertne fotografije (Janez Pelko, Antonio Živkovič, ...), literarni večeri, odbojškarski turnir ipd. Vsak dan v dopoldanskih urah bo organiziran

tudi poletni tabor za otroke, festival pa bo spremljala še čitalnica za odrasle in otroke. Ker je program še v nastajanju, pripravljamo, da si morebitna dodatna presenečenja in natančen spored ogledate na spletnem naslovu www.ksk.si in www.festivalsanje.net
 > 20. DO 25. AVGUST, Dvorje pod Krvavcem.

Organizator: Klub študentov Kranj
 Soorganizatorji: Društvo Igrišče, Festival Sanje, TD Cerklje

The Festival Sanje under Krvavec will take place at the pleasant location of Dvorje at Cerklje under Krvavec, under the linden tree in the shadow of which the composer Davorin Jenko was born. In the week between 20th and 25th August the festival will host an array of non-commercial creative cultures – from music and poetry

to photography and plays. You will be able to hear a number of acoustic concerts (Tantadruj, Dijazztivo, Ansambel Ankaran, ...), travel lectures, a round table on concert photography (Janez Pelko, Antonio Živkovič, ...), book readings, participate in a volleyball tournament, and similar. During the mornings we will also organise a summer camp for children and the festival will be accompanied by a reading room for adults and children. Because the programme is still being developed we would suggest that you check for any further surprises and the exact schedule on the website www.ksk.si and www.sanje.si.
 > AUGUST 20th TO 25th, Dvorje pod Krvavcem.
